pitta & hummus, vegetable sticks & tzatziki, mixed olives, falafel and halloumi chips

## Fresh food takes time...

We are very proud to be the only independent pub in Croxley Green that cooks our food to order from fresh ingredients on site. Because of this, it may take a little longer to prepare some dishes but, we think you'll agree, it's worth the wait.

We source all of our fresh ingredients from local producers wherever possible.
